

CHANGE STEP

Support for military
veterans in Wales

What is Change Step?

Change Step offers effective support for veterans in Wales — including dedicated services for those in crisis, older veterans, and people with mental health and substance misuse needs.

Our team of veteran peer mentors use their own experiences to help veterans confront challenges in their lives, and to navigate and engage with support services throughout Wales.

Who is Change Step for?

We help anyone who has been a member of the UK Armed Forces, full-time or reserve.
